

It gives me great pleasure to announce to each of you that with-in our midst we have a United States Marine Corp veteran, Don Millar who will be traveling to Washington DC for a much deserved Honor Flight. He is a Korean War Veteran and will now have the opportunity to view all the war memorials.

Jefferson County Human Services is truly blessed to work with Don. Since October 2009, he has worked tirelessly in the Transportation Department scheduling rides for our area residents requiring transportation to medical appointments. He also coordinates transportation for Jefferson county veterans, utilizing the VA van. Don's positive spirit, his contagious laugh, humble nature and selfless attitude are only a FEW of the attributes that best describe him.

It is my fervent prayer that countless Jefferson County employees and their families will help me honor Don. This will be accomplished by sending cards or letters thanking him for his 8 years of service. These mailings will be given to Don during the mail call on our return flight home. Please send all correspondence, by August 20, 2015 to the following address:

Julie Ihlenfeld
N1712 Maple Street
Fort Atkinson, WI 53538

I am directed to forward all mail to the Honor Flight prior to August 25, 2015.

Thanks you in advance for your kind assistance with this endeavor. Together, we can ALL make this more than memorable Honor Flight for our dear veteran, Don!
